Case of Ronald black

Your Honor

CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF OHIO  
YOUNGSTOWN

CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF OHIO  
YOUNGSTOWN

I know you get stories all the time and I am another one. The case that was turned over to you from Akron Summit County was a mess. Ronald black. As we learned Monday the 17<sup>th</sup> it was a mix up and the holder was lifted. Ron is not a murder or drug addicted etc he has made mistakes in life but everyone and everyone has or can. I believe in innocent till proven guilty and he hasn't even been to trial. As you know and we all stated his mother is dying of cancer this is a fight against time. No one deserves to not be able to be there or say goodbye people that that's happen to will never forgive themselves. She's doing her own time now and just needs her only child. He's already been in County for 58 days and now this cause of mix ups that he didn't do. Please your honor let him go home till Court or the passing like attorney Campbell asked

hes not a bad guy and just doing  
time on a crime that hasnt been  
found guilty of. many people  
deserve to do time for hurting  
people etc I understand that  
but not till guilty. please your Honor  
his mother needs him. I am a mother  
myself I cant even imagine not have my  
child at this time of her life and  
that he is her only child she has.

Thank you for taking time to read  
this. happ. holidays to you and  
your family.

Tracy Burrows

P.S. as of mailing letter due to  
everything she has gotten worse  
with him gone please help.
